Ancient stone house in Chianti, Tuscany Castellina in Chianti (Siena)

Ancient stone country house in the Chianti Classico area, for sale. Among the hills, castles and vineyards, a unique and renowned landscapes, we have on sale this 400 years old farmhouse.

Built in exposed stone and dotted with a scenic climbing ivy, this house measures about 720 sqm and it is divided on three levels. It represents a clear example of local style. The entire property consists of the main villa and two other outbuildings, one of which is obtained from an ancient church dating back to the year 1000.

On the ground floor of the property there is a large living area that includes several living rooms adorned with precious and ancient stone fireplaces and precious ceilings with exposed wooden beams.

Going up the stairs one can access the sleeping area including 4 bedrooms, each of which is perfectly furnished according to the traditional style: high-level materials, classic furniture and fine upholstery.

Complete, and further enhance, this property a large swimming pool, a tennis court and a large plot of land cultivated with olive groves and vineyards. The geographical position of this farmhouse is ideal as it is secluded yet close to Castellina and Panzano.

Its short distance away from famous art cities, makes this property a structure with infinite potential and immense prestige, suitable to become a home or luxury accommodation facility.
